Education

GSFC University, Gujarat
B.Tech Computer Science & Eng.
2025 - 2029 (Current 3rd Sem)

The Vatsalya School, Rajkot
Higher Secondary (GSEB Science)
Completed • Foundation CS

Skills

- Python Programming
- React.js & TypeScript
- Node.js & Express
- Full-Stack Web Dev
- AI Developer Workflows
- REST APIs & JSON
- Git & GitHub Versioning
- Tailwind CSS & UI/UX

Language

- English (Professional)
- Gujarati (Native)
- Hindi (Fluent)

About Me

Dedicated B.Tech Computer Science student at GSFC University with practical experience in AI-assisted web development, modern full-stack web applications, and Python. Completed industry internship at IdeaFolks, built real-world scam detection and sales copilots, and qualified as offline finalist at Hack Baroda 2026. Eager to contribute to meaningful engineering teams through internship opportunities.

Work Experience

AI Web Developer Intern — **June 2026 – July 2026**
IdeaFolks • Rajkot, Gujarat

- Completed a one-month project internship focused on web development and AI-assisted workflows.
- Leveraged modern AI developer tools for rapid component prototyping, API design, and debugging.
- Developed responsive front-end user interfaces using HTML, CSS, JavaScript, and modern component tooling.

Key Projects & Hackathons

Deal Intelligence Agent (Sales Copilot) — **Hack Baroda 2026 Finalist**
Finalist with Team CODE BUSTERS. Built an AI sales intelligence copilot analyzing calls, buyer sentiment, and risk signals.

JobGuard AI (Scam Job Offer Detector) — **Python, ML, NLP**
Engineered an automated scam detector evaluating offer letters with domain verification, NLP heuristic scoring, and fraud alerts.

StudyShare (Campus Academic Platform) — **React, Node.js, Web**
Peer-to-peer syllabus and notes platform with semester filtering, fast document access, and role-based contributions.

Certifications & Achievements

Python Essentials 2 — Cisco Networking Academy (Oct 2026)
Advanced OOP, modules, exception handling, and file processing.

Computer Hardware Basics — Cisco Networking Academy (Sept 2026)
Core computer architecture, system diagnostics, and hardware.

Hack Baroda 2026 Finalist — Student Technical Hackathon
Offline Hackathon finalist among hundreds of participating student teams.
